

COVID-19 SAFETY INFORMATION:

While obtaining services for baby-sitting from Kiddie Care, parents are encouraged to practice hand hygiene, “social distancing” and wear face coverings to reduce the risks of exposure to COVID-19. Since COVID-19 is extremely contagious and is spread mainly from person-to-person contact, Kiddie Care has ensured that caregivers follow preventative measures to reduce the spread of COVID-19. However, Kiddie Care cannot guarantee that parents and their minors in contact with caregivers will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage with Kiddie Care and obtain their services. By obtaining a Kiddie Care service, you certify that you do not fall into any of the following categories:

1. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others,
2. Individuals who have traveled at any point in the past fourteen (14) days either internationally or to a community that has experienced or is experiencing sustained community spread of COVID-19; or
3. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR:

Parents agree to self-monitor themselves and minors for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, contact Kiddie Care if they experience symptoms of COVID-19 within 14 days after engaging with Kiddie Care.
